## Hotel Moments Budapest – Visit. Enjoy. Remember.

Hotel Moments is a beautifully renewed, elegant hotel where elements of a historical palace form harmony with modern Art Deco style.

It is located on the stunning World Heritage site of Andrásy Avenue, only a few steps away from world famous luxury brands, the Hungarian State Opera House, the St. Stephen's Basilica and from several other spectacular sights of Budapest.

## Play at Hungary's top golf destinations:

- Zala Springs Golf Resort
- Botaniq Máriavölgyi Golf Club
- Balaton Golf Club
- Old Lake Golf Club

## Experience world-class golf

### Elevate your game

- Receive personalized coaching and valuable pro tips from a Category 'A' PGA golf instructor to sharpen technique and build confidence on the course.
- With advanced Flight Scope technology, benefit from individual swing analysis and precise distance measurements.

### Comfort and fun

- Enjoy airport pickup and drop-off, and daily golf transfers in premium chauffeur-driven vehicles
- Win a trophy in a relaxed, in-house tournament where a bit of friendly competition meets plenty of fun on the course.

## Zala Springs Golf Resort

A unique golf experience is guaranteed by one of the world's finest course designers Robert Trent Jones Jr.

The 18-hole championship golf course is 6351 m long (PAR 72) built surrounded by natural reserves, vineyards and lakes, suitable to host all international tournaments both for professionals and amateurs.

The design of the golf course allows all players from the beginner to the professional to enjoy the course, there are 4 different tees to choose from.

## BOTANIQ Máriavölgyi Golf Klub

The 18-hole course was designed by Hans G. Erhardt to the highest European standards. Nestled in a valley, the fairways' diverse shapes provide an exceptional golfing experience. Eight holes feature lakes, adding a splash of challenge to the game, while the undulating greens and their varying flag positions test players' precision. With six different tee positions, both beginners and advanced golfers can get a fair and accurate assessment of their skills.

## Balaton Golf Club

The first 18-hole golf course on Lake Balaton, with a Mediterranean atmosphere suitable for international competitions, awaits golf lovers in a wonderful environment.

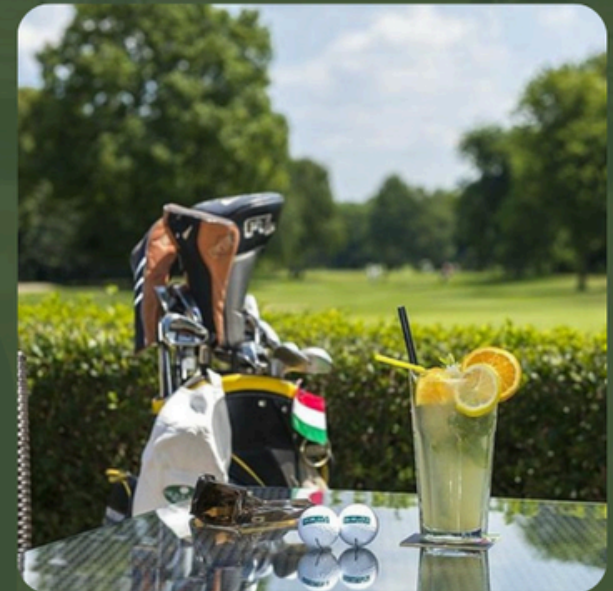

This beautiful and high-quality championship course lies in a unique natural environment next to the peninsula Tihany, offering a splendid panorama over the largest Central European lake, Lake Balaton.

## Old Lake Golf Club

The 18-hole golf course (par 70) meets tournament requirements and was designed as an open park landscape with many high trees surrounding the fairways. This means that golfers can focus on the course's built-in obstacles even on rather windy days. Due to its design close to nature, the Old Lake Golf Club offers a specific atmosphere. The water hazards, cleverly integrated into the landscape, require a tactical game at many points.
